

FOUNDER MEMBERS.

MRS. M. CARTER.

Not seen much of her for some years, but she was an enthusiastic member of the then Drama Group. We hope she will join the Institute again soon.

MRS. H. GOODHART.

Up to 3 or 4 years ago Mrs. Goodhart has been a lively member of this Institute. President for many years also a great "encourager" & inspired the Inst. to go in for many competitions - which they won. She also does things - in 1938 she designed the W.I. banner - she paints & she can win rose bowls for public speaking.

MRS. P.MAY.

A, smiling lady who joined this Inst., on November 19th 1929. I have here her receipt for 2/- subscription!

MRS. DRUCE.

Used to come here & was President, but now lives in Kintbury. Although we do not see her she still keeps up her membership by paying her fees every year & pays for the Home & Country also the News Letter.

MRS. WALTER.

This lady also lives in Kintbury now & I had such an interesting letter from her in reply to our invitation to this party.

Cont:

MISS B. CARTER.

Must have been very young when she joined, for she still looks young. She has remained a cheerful and helpful member to this day.
